UC:

As discussed on the call, for your approval. Traffic update (lane closure) news release text is below. Slight change from prior advisories, replaced "scheduled for" with "may occur" to allow for more operational flexibility.

Thanks,

Traffic Advisory:

The Unified Command for the Refugio oil spill response advises drivers that single-lane daytime road closures will continue to be necessary through July 26 in the southbound direction of U.S. Highway 101 west of Refugio State Beach in Goleta, California. Closures may occur from 9 a.m. to 6 p.m., Monday through Saturday. On Sundays the lane closure may be in place from 9 a.m. to 2 p.m. to minimize impacts on afternoon traffic. The closures are necessary due to heavy equipment operating in the cleanup area.
